

# Bladder Control Pads

DISCREET BLADDER PROTECTION

Available in a variety of sizes and absorbencies.

Odor Guard™ technology neutralizes odor, maintaining discretion even for extended use.

QUICK WICK™ layer pulls moisture away from the skin for comfort and protection. Excellent leakage protection in a thinner\* dual layer pad.

Contoured, discreet pad for a comfortable fit.

Adhesive Strip.

Individually Wrapped & designed for incontinence.

### \*How do thinner products absorb so much?

Advancements in materials along with manufacturing expertise makes it possible to absorb more with less material and keep liquid locked up and away from the skin.

Benefits of thinner products with high absorbency:  
**More Discreet • More Comfortable • More Compact Packaging**

Appropriate for these Types of Incontinence:

See "Facts about Incontinence" for the different types of incontinence & common causes.
