

## Protective Underwear

Available in a variety of sizes and absorbencies.

SKIN SMART™ Hypoallergenic Fabric Contains Aloe, Chamomile, and Vitamin E for Skin Wellness.

Odor Guard™ technology neutralizes odor, maintaining discretion even for extended use.

QUICK WICK™ layer pulls moisture away from the skin for comfort and protection. Excellent leakage protection with a thinner\*, more discreet core.

Soft Cloth-Like Outer Fabric that is more comfortable and reduces the risk of skin irritation.

Soft, Breathable Zones allow air to freely migrate to the wearer, helping maintain skin wellness.

Printed Tagless label on the inside of the back of the underwear indicates size.

### \*How do thinner products absorb so much?

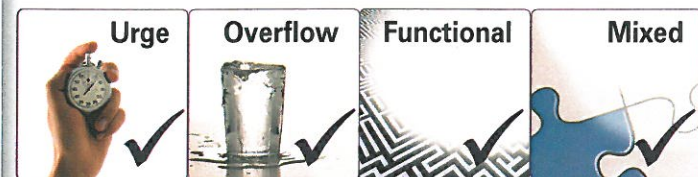

Advancements in materials along with manufacturing expertise makes it possible to absorb more with less material and keep liquid locked up and away from the skin.

Benefits of thinner products with high absorbency:

**More Discreet • More Comfortable • More Compact Packaging**

Appropriate for these Types of Incontinence:

See "Facts about Incontinence" for the different types of incontinence & common causes.
