

PREVAIL® UNDERPADS & PANTS LINERS

UNDERPADS & PANT LINERS

Prevail® Pant Liners and Underpads are available in a variety of sizes and absorbencies to fit the extra-protection needs of those who worry from unpredictable and recurrent leakage.

NEXUS™

PREMIUM ABSORBENCY

Prevail® Nexus™ Underpads consist of three integrated layers. The heavyweight bonded top sheet provides exceptional strength while providing softness against the skin. A fluffy super absorbent inner layer quickly pulls and locks up liquid away from skin. The outer fabric is water-proof to trap liquid or materials from passing through the underpad.
