

Three-in-One Steel Commode

The **ProBasics Three-in-One Steel Commode** has three versatile functions; it can be used as a toilet safety frame, a commode, and a raised toilet seat. It features a removable back and comes complete with commode bucket, splash guard and lid. The versatile design includes an elongated deeper seat, armrests for added comfort, angled legs for stability and non-marring rubber tips.

FEATURES

- Can function as a free-standing commode, a toilet safety frame (with backrest removed), or as a raised toilet seat with arms
- Features deeper elongated seat depth for less mess and to allow more room for cleaning
- Durable steel-welded frame is attractive, strong and easy-to-clean
- Tool-free assembly, includes plastic snap on seat with lid
- Seat height readily adjusts in one-inch increments
- Plastic arms provide added comfort
- Comes complete with commode bucket with handle, cover and splash guard
- HCPCS Code: E0163*
