

Bath Bench

The **ProBasics Bath Bench** is designed for individuals who require seating support and stability when bathing or showering. The bench features a comfortable contoured textured seat that can support patient weights up to 250 pounds. The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety. Tool-free assembly and limited lifetime warranty are standard.

FEATURES

- Aluminum frame is lightweight, durable and corrosion-proof
- Blow-molded bench has a textured surface and is contoured with drainage holes to reduce slipping
- Quick tool-free assembly
- Wide-based crutch tips help increase stability
- Two-hole handles in seat provide security when sitting or standing
- Legs are height adjustable with one-inch snap button adjustments
- HCPCS Code: E0245*
